                                                                           F7M
                                                           After everything has changed
Verso 1:
                                                           Refrão:
 And we get home
                                                            'Cause you remind me of a time
                                                             G C G
                                                           When we were so alive
 I know we won't be home at all
                                                              (Everything has changed)
 This place we live
F7M C G Am
It is not where we belong
                                                            Do you remember that?
                                                                   G Em
                                                           Do you remember that?
        C
                                                           (Everything has changed) F7M
I miss who we were
                 C
                                                           'Cause you help me push aside

G C G F7M
 And the town that we could call our own
   C F7M
Going back to get away
C G F7M
                                                           All that I have left behind
                                                                  (Everything has changed)
After everything has changed
                                                            Do you remember that?
Refrão:

When we were so alive
                                                           Ponte:
(Everything has changed)
Do you remember that?
                                                             Taking up our time
Am G Em
Do you remember that?
                                                             Taking up our time
(Everything has changed)
                                                            Taking up our time
'Cause you help me push aside
G C G F7M
All that I have left behind
                                                            Taking up our time we can't
C F7M
(Everything has changed)
                                                           Go back we can't, go back at all
Do you remember that?
Am G Em

Do you remember that?
                                                           Taking up our time we can't
                                                                             (stop)
                                                           Go back we can't, go back at all
( F7M Am )
Verso 2:
                                                            Taking up our time we can't
Am C
                                                           Go back we can't, go back at all
 So we stand here now
                                                                            Am
F7M C G
                                                           Taking up our time, taking up our time.
 And no one knows us at all
                                                           Final:
           С
 I won't get used to this
F7M C G Am
                                                            'Cause you remind me of a time
I won't get used to being gone
    C
                                                                \mathsf{G} \;\; \mathsf{C} \;\; \mathsf{G}
And going back won't feel the same
                                                           When we were so alive
 C G Am
If we aren't staying
                                                            Do you remember that?
                                                           Am G Em F7M
   C
                                                            Do you remember that
Going back to get away
