

# Paramore - Future

Tom: **C**  
Intro:

I'm writing the future, im writing it out loud  
we dont talk about the past, we dont talk about the past, no  
so im writing the future, im leaving a key here  
something wont always be missing, you wont always feel empty  
( **F G** ) (4x)

Think of the future, and think of your dreams, you'll get away from here  
you'll get away eventually, so lets think of the future, think of a new life  
and don't get lost in the memories, keep your eyes on the new prize  
**F C G** (Até o final da música)
