

# Paramore - Oh Star

Tom: **C**

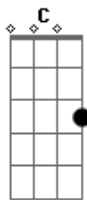

**C** **Am**  
Oh star fall down on me  
**C** **Am**  
Let me make a wish upon you  
**C** **Am**  
Hold on, let me think  
**C** **Am**  
Think of what I'm wishing for  
**Fm** **C**  
Wait, don't go away.  
**Fm** **C**  
Just not yet.  
**Fm** **C**  
Cause I thought, I had it.  
**Fm** **C**  
But I forget.  
**Am** **C**

And I won't let you fall away,  
**F**  
From me. You will never fade.  
**Am** **C**  
And I won't let you fall away.  
**F** **C** **Am** (2x)  
From me. You will never fade away from me.

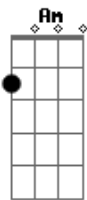

Verse 2:

**C** **Am**  
And now I let my dreams consume me,  
**C** **Am**  
And tell me what to think.  
**C** **Am**  
But hold on, Hold on.  
**C** **Am**  
What am I dreaming?  
(Repeat refrain and Chorus)
