Tom: G

Afinação: Eb Ab Db Gb Bb

Eb G Em
 Now when you say you wanna slow down,
 Am C
 Does it mean you wanna slow dance?
 G D
 Maybe you just want a little extra time
 Bm C
 To focus on our romance.
 G Em
 What do you mean I got it backwards?
 Am C
 You know we're gonna be forever
 G D
 Why are you tellin' me goodbye?
 Bm C
 Aren't you gonna stay the night?
 G G
 Are we really over now?
 Em
 Maybe I can change your mind?
 G G
 Soon as you walk out my door,
 Em
 I'm gonna call a hundred times...
 G Em
 Now I walk under a pink sky
 Am C
 Love has flown along and passed me by
 G D
 I pour my heart out to your voice mail,
 Bm C
 Let you know I caught a bus to your side of town
 G Em
 And now I'm standing at your doorstep
 Am C
 With Los Angeles behind me.
 G D
 If you don't answer I'll just use the key
 Bm C
 That I copied 'cause I really need to see you.
 D B
 If you're not here when I break in,
 Em
 Gonna go to your closet,
 Am
 Just so I can smell your skin.
 D B

As the chemicals swim,
 Em
 I know I'll never love again,
 Am
 I swear I'll never love again!
 G G
 Baby, are we over now?
 Em
 Maybe I can change your mind?
 G G
 Soon as you walk out my door,
 Em
 I'm gonna call a hundred times...
 (G Em Am C G D Bm C)
 G Em
 I'm not one of those crazy girls,
 G Em
 I'm not one of those crazy girls,
 G Em
 I'm not one of those crazy girls,
 G Am
 I'm not one of those crazy girls...
 G D
 Baby, are we over now?
 Em C
 Maybe I can change your mind?
