

Paramore - The News

tom:
Bm

[Primeira Parte]

Bm
War, a war, a war on the far side
C
On the other side of the planet
Bm
And I've got war, a war
A war right behind my eyes
C
Right behind 'em just like a headache Bm

[Pré-Refrão]

G Gbm
So I turn on the news
G Gb7
Turn off the news

[Refrão]

Bm A
Every second, our collective hearts break
G
All together, every single head shakes
Em
Shut your eyes, but it won't go away
Turn on, turn off the news
Bm A
Every second, our collective hearts break
G
All together, every single head shakes
A
Shut your eyes, but it won't go away
Turn on, turn off the news

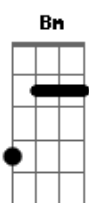

[Segunda Parte]

Bm
Far, I'm far, so far from the frontline
C
Quite the opposite, I'm safe inside Bm
But I worry and I give money
And I feel useless behind this computer
C
And that's just barely scratched
Bm
The surface of my mind

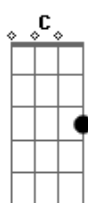

[Pré-Refrão]

G Gbm
So I turn on the news
G Gb7
Turn off the news

Bm
Exploitative, performative
Informative and we don't know the half of it
It's restorable, deplorable
Exorable and, all alone, we call it normal
