Paramore - Throwing Punches

Tom: D
Intro: D Em D Em D Em G A (hold)

Verse 1:
```
         G          Em
There's an empty room
     G           Em
at the end of the hall
         G
And it's begging
  Em G                Em
to   swallow you whole
```

Refrain 1:
```
G        A        Bm
  Each step you take
G            A
  Makes it easier
Bm
to fall on your face
G        A        Bm
  Each tear you fake
G        A          Bm
  Makes it easier to see
                G (hold)
straight through you now
```

Chorus:
```
And you're so
D          G
hateful sometimes
       Em          C
Throwing punches at lies
         D        G
Fall from somewhere above
       Em          C
Just to say you're in love
```

Interlude: D

Verse 2:
```
      G           Em
So you hang yourself
```

```
      G              Em
from stolen dreams
      G
And under the table
Em       G          Em
you hide every stain
```

Refrain 2:
```
G        A        Bm
  Each step you take
(getting closer)
G              A
  Makes it easier to
Bm
fall on your face
G        A        Bm
  Each death you fake
(getting closer)
G              A
  Makes it easier to
Bm                  G (hold)
  live this way And now
```

(Repeat Chorus and Interlude)

Bridge:
```
G        Bm  G   Em
Watch it disappear
        G          Bm      G   Em
The dream you hold so dear
        G           Em
Let it fade (let it fade)
        G           Em
Let it fade (let it fade)
        G           Em   G (hold)
Let it fade (let it fade) now
```
(Repeat Chorus)

Outro:
```
          Em
Just to say
         C    D (hold)
you're in love
```
