

# Paranga - Ave Maria do Sertão

tom:

C

A

Gb

Quando a tarde declina, desce a campina seu manto de prata

Tudo é beleza sorri a natureza no verde da mata

Regressa da roça pra sua palhoça de pé no chão

A cabocla bonita, roga a paz infinita em sua oração

Ave Maria do meu sertão

Dai paz e amor pro meu coração

Acordes divinos vibram os sinos na capelinha

Violas, violões soluçam canções numa tendinha

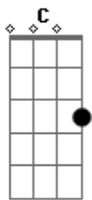

Canta a passarada na beira da estrada em doce harmonia

Gorjeios e preces como quem oferece à virgem Maria

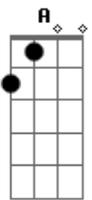

Ave Maria do meu sertão

Dai paz e amor pro meu coração
