

# Parcels - Hideout

tom:

**D**

**Bm**  
I close the door to all that I am

**Em**  
I called a lie, I told you all I've said

**Bm**  
I failed even more than I understand

**Em**  
It's coming out of every wall I mend

Oh, lately

**Bm** **A**  
You know that I keep my mind on

**Bm** **A** **D**  
A note that I keep hiding so long

**A** **Bm** **A**  
My love, so long

**Gbm** **E**  
Cause you know that I keep a hide out

**Dbm** **D**  
And all that I'm thinking about is

**Gbm** **E**  
Cause you know that I keep a hide out

**Dbm** **D**  
And all that I'm thinking about is you

And all that I'm thinking about is you

**Bm** **D**  
Time tells me more of who that I am

**Em** **D** **A**  
I'll kneel to all that will release my hand

**Bm** **D**  
I talk to the floor, I fight to pretend

**Em** **D** **A**  
You think that I will reach a point to mend?

Oh, lately

**Bm** **A**  
You know that I keep my mind on

**Bm** **A** **D**  
A note that I keep hiding so long

**A** **Bm** **A**  
My love, so long

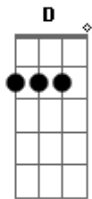

**Gbm** **E**  
Cause you know that I keep a hide out

**Dbm** **D**  
And all that I'm thinking about is

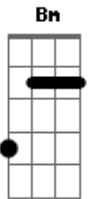

**Gbm** **E**  
Cause you know that I keep a hide out

**Dbm** **D**  
And all that I'm thinking about is you
