[Primeira Parte]

Em Cadd9  
Happy ever after  
Never happens much these days

Forever almost never  
Turns out that way

Am  
No I didn't mean to do you wrong  
Getting it right just took too long

[Refrão]

G Cadd9  
Maybe you are better with someone else  
Maybe I just saved you from myself  
When I left you in the dark

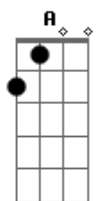

G Cadd9  
Girl, I knew you'd never call my bluff  
The writing on the wall just wasn't enough  
You were falling in love and I was falling apart

[Segunda Parte]

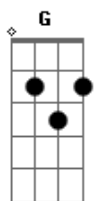

Em Cadd9 G G  
Well it's no secret, honey, I'm a wreck  
Everything I touch becomes a mess

Am  
Same old story on every page
