Celebremos, veneremos, o casto lírio da Núbia

Exalcemos as virtudes da valorosa Efigênia

Celebremos, veneremos, o casto lírio da Núbia

Exalcemos as virtudes da valorosa Efigênia

Exalcemos as virtudes da valorosa, valorosa Efigênia

Liberta Jesus sua esposa, do poderoso elemento

Que arde para traga-la em martírio assaz cruento

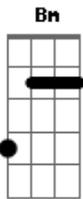

Jamais conseguem os magnos, o casto lírio cremar

Vitoriosa princesa, lá no céu, foi se entronar
