When I'm out in the cold, you're the one that's on my mind
Will search until I find you

[Segunda Parte]

Am F
I've been alone in my dreams, but I've always searched for you
Needed love in this place, you're the only one I knew
The only one to fix me
Am F
Carried away by the wind, hope it takes me in your arms
Only place where I'm safe, only you can heal my scars
The only one to save me

I'm on my way over the deep blue sea

I'll be searching for your light house to lead me
