

Passenger - Bonnie's Song

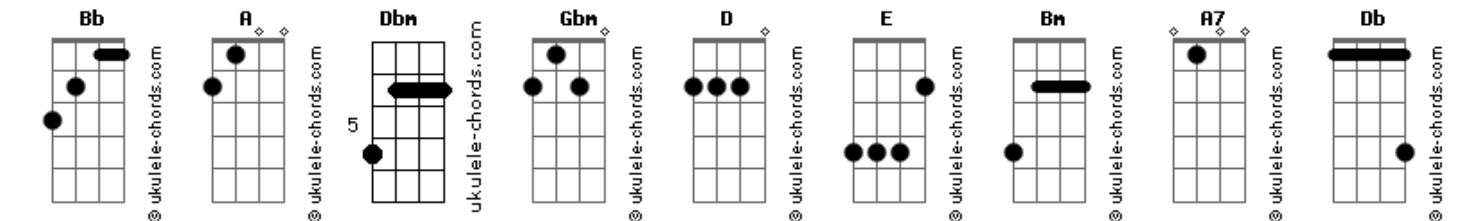

tom:
 Bb (forma dos acordes no tom de A)
 Capotraste na 1ª casa
 Intro: A Dbm Gbm D
 A E D D

May you age like a fine wine
 Turn the pages at the right time
 At every stage of your lifetime
 May you love and be loved
 Have mornings in the sunshine
 And take the evenings in your own time
 Sleep soundly through the night time
 And love and be loved
 When you blow out your candles
 I hope your wishes all come true
 Bonnie darling, this song's for you

(A Dbm Gbm D)
 (A E D D)

Have summers by the seaside
 And search for seashells in the low tide

Acordes

And when you're sleepy in the car ride home
 Know you're loved, Oh you're so loved
 Have Christmas by the fireside
 Watch the New Year's fireworks with wide eyes
 Fill the sky like a thousand fireflies
 And love and be loved
 And on those rainy days
 When you're feeling sad and blue
 Bonnie darling, remember this song's for you
 And wherever life takes you, baby
 When the world feels dark and crazy
 And you're tired of playing their games
 Wherever it leads you, honey
 When the joke's no longer funny
 Know we love you just the same
 As when we gave you your name
 Bonnie just the same
