Intro: G C G C G C G

I've only known her for a while
 She came as some surprise
 I see the sunshine when she smiles
 I feel the rainfall when she cries

She hits me in the heart
 She drops me to my knees
 And I don't know where I'd be without you
 Sweet Louise

Where she flies just like a bird
 And she floats just like a dream
 She's the sweetest song I've heard
 And the sweetest face I've seen

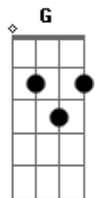

She hits me in the heart
 She drops me to my knees
 I don't know where I'd be without you

My Sweet Louise

They say patience is a virtue
 And she'll wait, she won't desert you
 She's got hands that couldn't hurt you
 If they tried
 With all that happiness she has me
 But she loves and understands me
 Right or wrong, I know
 She's always by my side
 So if you please, put me at ease
 My sweet Louise

[Solo]
 And she hits me in the heart
 Oh, and she drops me to my knees
 I don't know everything about you
 Never you give me no reason to doubt you
 And I don't wanna be without you
 Sweet Louise, yeah
