

Pat Barrett - Into Faith I Go

Tom: G

I've never been good at change
 If I'm honest it's always scared me
 But I can't deny this stirring deep inside me
 And I know it's time to stop resisting
 'Cause I'm not getting any younger
 Fear is such a sad way to live a life
 So, face to the wind, I'm jumping out, I'm walking in
 Every single thing You want to show me
 To the ups and downs
 The highs and lows
 The taking in
 The letting go
 To tears and laughter
 The great unknown
 To the open journey
 Into faith I go
 Nobody said this would be easy
 Anyone who did never went through
 Anything painful

But faith is not some fragile thing that
 Shatters when we walk through something hard
 So, we walk on
 Whatever may come
 Running like a child in an open field
 Stepping off the edge, I'm facing all my fears
 If this is what it feels like to be born again
 I'll be born again
 So, when I feel like giving up
 When I feel like throwing it all away
 I look back over my shoulder
 And I can see Your goodness every
 Single step that I have taken
 And it beats like a drum
 And it rings like a bell
 And it sings like a choir
 And it's leading me on my way
 Oh, You lead me on my way
