

Pat Barrett - Into Faith I Go

```
Tom: G
I?ve never been good at change
If I?m honest it?s always scared me
But I can?t deny this stirring deep inside \ensuremath{\mathsf{me}}
And I know it?s time to stop resisting
?Cause I?m not getting any younger
Fear is such a sad way to live a life
So, face to the wind, I?m jumping out, I?m walking in
Every single thing You want to show me
       Em
 To the ups and downs
The highs and lows
  Em
The taking in
The letting go
 To tears and laughter
The great unknown
 To the open journey
Into faith I go
Nobody said this would be easy
Anyone who did never went through
Anything painful
```

```
But faith is not some fragile thing that
Shatters when we walk through something hard
 So, we walk on
Whatever may come
Running like a child in an open field
Stepping off the edge, I?m facing all my fears
If this is what it feels like to be born again
I?ll be born again
So, when I feel like giving up
When I feel like throwing it all away
I look back over my shoulder
And I can see Your goodness every
Single step that I have taken
And it beats like a drum
And it rings like a bell
And it sings like a choir
And it?s leading me on my way
Oh, You lead me on my way
