Capo: 3ª casa  
Capo: 3rd Fret

**G** (mute)  
Take me down to the river

Where I can hold your body close to mine **D**

We'd listen to the rhythm **C** **D**

Of that old water rollin' **C** **D**

You can stay with me until the morning light **C** **D**

**G**  
I found you in a Louisiana roadside park

Beat up, broke down no place left to turn **D**

I took you back to Texas under a harvest moon **C** **D** **C** **D**

We found a little place to call our own **C** **D** **G**

**G**  
We shared all the hopes and dreams of our younger years

Married at the tender age of twenty-one **D**

**C** **D** **C**  
**D**  
Rollin' down the highways, dirt roads and the byways

**C** **D** **G**  
Would you like to drive so I would go shotgun

CHORUS

**G**  
We'd go down to the river

Where I could hold your body close to mine **D**

We'd listen to the rhythm **C** **D**

Of that old water rollin' **C** **D**

You can stay with me until the morning light **C** **D**

**G**  
Somewhere through the year somebody turned your head

And has taken my sweet love so far from me **D**

**C** **D**  
Yeah he swept you off to Boulder

Where the air it gets much colder **C** **D**

Than this southern boy would ever like to see **C** **D** **G**

**G**  
I think of calling you on lonely nights

When being alone gets the best of me **D**

Yeah but this here whiskey bottle **C** **D**

**G** **C** **D**  
Will take me to a place

**C** **D** **G**  
Where you and I will always be

CHORUS

**A**  
When you came back home everybody said I was a fool

**E**  
'Cause I took you back without a word to say

**D** **E** **D**  
**E**  
But I couldn't go on living thinkin' about all I was missin'

**D** **E**  
**A**  
And I don't give a damn about what those people say.

CHORUS

**A**  
We'd go down to the river

Where I could hold your body close to mine **E**

**D** **E**  
We'd listen to the rhythm

**D** **E**  
Of that old water rollin'

**D** **E**  
**A**  
You can stay with me until the morning light

**A**  
I wanna go down to the river

**G** **A**  
Take me down to the river

**A**  
I wanna go down to the river

**A E D** **A E D**
