

Pat Green - Eden's Gate

Tom: G

Intro: Am
She holds the key to Eden's Gate, somewhere deep inside
Am Well, she gives to me her patience

And a hundred smiles, none the same.
Am Her eyes are the ocean and I am drowning constantly.
Am I am lucky just to linger in the corners of her scene.

- And I am lost inside the walls of Eden
G Don't you ever set me free.

I am lost inside the walls of Eden
C And I'll never go back, no I'll never go back again. -

Am Outside the world's a bastard,
Am The son whose father never cared.
Am It keeps on raging like some crazy storm,
D But not in here...

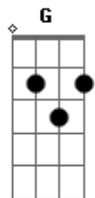

- And I am lost inside the walls of Eden
G Don't you ever set me free.

I am lost inside the walls of Eden
And I'll never go back, no I'll never go back again. -

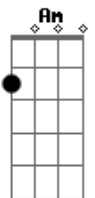

Bm All it cost me was my whole life,
Bm And all it gives me is everything.
Bm A love life fire, the taste of skin,
A The feelin' of fallin' again and again.
Bm It's a long drink from a deep cool well,
D It's everything, baby, it's everything, baby, it's everything. E

- And I am lost inside the walls of Eden
A Don't you ever set me free.
A I am lost inside the walls of Eden
A Don't you ever set me free.
A I am lost inside the walls of Eden
And I'll never go back, no I'll never go back,
D I'll never go back, no I'll never go back,
D I'll never go back, no I'll never go back again. A
