

Pat Green - Going Away

Tom: D

Lately I'm feelin' kinda broken,
Like a man out of sorts with the world.
And I ain't got no explanation,
And if I did, I know I'd sound absurd.
But I can't change a thing, no matter what I do
And you don't care what I say.
I can't hide the pa-in any---more...
Oh oh oh I'm goin' away.

I just need a way to keep the rain out
And land with both feet on the ground.
Yeah, but everytime I go to stand up on my own,
You come along, you come along,
And then you knock me down.
Yeah, but I can't change a thing, no matter what I do

And you don't care what I say.
I can't hide the pa-in any---more...
Oh oh oh I'm goin' away.

Maybe I'll break out for the mountains
Or maybe I could head for Mexico.
Then you come in beggin', pleadin'
You said, "now, baby, please don't leave me"
But I've made up my mind, yeah,
I've made up my mind it's time to go.

Yeah, but I can't change a thing, no matter what you do
And I don't care what you say
Cause I can't hide the pa-in any---more.
Oh oh oh I'm goin' away...
Oh oh oh I'm goin' away.
