

Patrick Stump - Summer Days (feat. Macklemore & Martin Garrix)

Tom: G

[Refrão]

Dm I got this feeling on a summer day
G Knew it when I saw her face
Bb I just thought that she could be the one

[Primeira Parte]

Dm She looks good in the morning
G And she don't even know it
Dm I don't want you to go yet
G Can we stay in the moment?

[Pré-Refrão]

Dm Don't look in the mirror, look into my eyes
G When you see your reflection, you'll see what I like
Dm You look good in the morning
G And you don't even know it, I knew that

[Refrão]

Dm I got this feeling on a summer day
G Knew it when I saw her face
Bb I just thought that she could be the one

Dm I got this feeling on a summer day
G Knew it when I saw her face
Bb I just thought that she could be the one

[Segunda Parte]

Dm Sundress with you on my arm
G Take the coupe out the garage
Dm Pull the roof back just me, you and the stars
G Toast to the Gods
Dm She's the one, a masterpiece

G She a drug got a fast release
Bb Got me sprung wrapped in sheets
Dm Wake up, fuck, and then we going back to sleep
