Patrick Watson - Man Under The Sea

```
                    tom:
                    Cm
                                        Eb   Bb  Cm7
I was hiding underneath the sea
                    Ab   Eb7M  Fm7
I was looking there for me
   Fm7    Gm7    Ab
To be a better man

                            Eb   Bb  Cm7
I was hiding underneath the sea
                    Ab   Eb7M  Fm7
I was looking there for me
   Fm7    Gm7    Ab
To be a better man

                            Eb   Bb  Cm7
I was hiding underneath the sea
                    Ab   Eb7M  Fm7
```

```
I was looking there for me
        Fm7     Gm7         Ab
Just me, the fish and the sea
        Fm7     Gm7         Ab
Just me, the fish and the sea
            D7               G7     Ab
Oh cause the music was so much louder there

Just me, the fish and the sea
Just me, the fish and the sea
And for all your apathy

( D7   Gm7 )

Cause I was born a noise machine
Made of steel I was born to peal
So gather all of your family round
```
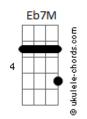

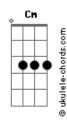

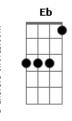

Acordes
