

# Paul Anka - Boulevard

tom:

Intro: Am Dm F E7 Am

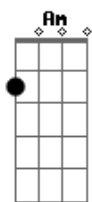

I don't know why  
You said goodbye  
Just let me know you didn't go  
Forever my love  
Please tell me why  
You make me cry  
I beg you please I'm on my knees  
If that's what you want me to

Never knew that it would go so far  
When you left me on that boulevard  
Come again you would release my pain  
And we could be lovers again  
Just one more chance  
Another dance  
And let me feel it isn't real  
That I've been losing you  
This Sun will rise  
Within your eyes  
Come back to me and we will be  
Happy together
