

Paul Fox Cowboy - Farewell, Rodeo

tom:
Intro: Bb Eb Bb

I ride my horse, for the last time
The doc said I'm done, I can no longer ride
My bones are broken, my muscles are worn
I can no longer ride, it's time to say goodbye

Farewell, rodeo, I'm walkin' away
My body's busted, it's time to stay
I'll leave the rodeo dust behind
And find a new path, without the pain and the grind

I remember the nights, under shinin' stars
I rode bulls and horses, with adrenaline in my heart
But now, I'm tired, my body's broke

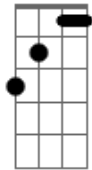

I need to find a new purpose, before it's too late to cope

Farewell, rodeo, I'm walkin' away
My body's busted, it's time to stay
I'll leave the rodeo dust behind
And find a new path, without the pain and the grind
(Bb Eb Bb F Bb)

I remember the nights, under shinin' stars
I rode bulls and horses, with adrenaline in my heart
But now, I'm tired, my body's broke
I need to find a new purpose, before it's too late to cope
Farewell, rodeo, I'm walkin' away
My body's busted, it's time to stay
I'll leave the rodeo dust behind
And find a new path, without the pain and the grind
