Paul Kalkbrenner - Sky And Sand

```
                              tom:
                     C

            [Primeira Parte]

C
   In the nighttime
Em
     When the world is at it's rest
Am
    You will find me
G
   In the place I know the best
F
   Dancin', shoutin'
G
   Flyin' to the moon
Am
    (you) don't have to worry
G
   'Cause I'll be come back soon

[Refrão]

C
And we build up castles
Em
In the sky and in the sand
Am
Design our own world
G
Ain't nobody understand
F
I found myself alive
G
In the palm of your hand
Am
As long as we are flyin'
G
```

```
This world ain't got no end

[Segunda Parte]

C
In the daytime
Em
You wil find me by your side
Am
Tryin' to do best
G
An tryin' to make things right
F
When it all turns wrong
G
There no fault but mine
Am
But it won't hit hard
G
'Cause you let me shine

[Refrão]

C
And we build up castles
Em
In the sky and in the sand
Am
Design our own world
G
Ain't nobody understand
F
I found myself alive
G
In the palm of your hand
Am
As long as we are flyin'
G
This world ain't got no end
