It was written that I would love you

**D** **A** **G** **D**

From the moment I opened my eyes

**D** **A** **G** **D**

And the morning when I first saw you

**D** **A** **G** **D**

Gave me life under calico skies

**D** **G**

I will hold you

**A** **Bm**

For as long as you like

**G**

I'll hold you

**A** **D**

For the rest of my life

**D** **A** **D** **G**

**D** **A** **G** **D**

**D** **A** **G** **D**

Always looking for ways to love you

**D** **A** **G** **D**

Never failing to fight at your side

**D** **A** **G** **D**

While the angels of love protect us

**D** **A** **G** **D**

From the innermost secrets we hide

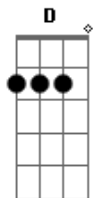

**D** **G**

I will hold you

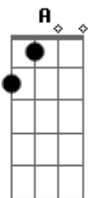

**A** **Bm**

For as long as you like
