People are ready to forgive a few mistakes
Ab                       Bb
But let's get started, form a party
                      C   C  C2   C
Don't you know how long it takes

C7      C          C7M  C
C'mon people let the fun begin
C7        C          C7M    C
We've got a future and it's rushing in
C7         C              C7M      C
Call all the minstrels from the ancient shrine
C7         C              C7M      C
Pass down the message that it's right this time

Well I'm trying to, yeah I'm crying to
Lay it on the line
We're trying to, really dying to
Get it right this time
So many yearning for the way it's gonna be
Believe it when you see it happening to you
You know it's real

C'mon people let the world begin
We've got a future and it's charging in
```

```
We'll make the best of all we have, and more
We'll do what never has been done before

Ab        Gm7   Cm
Oh yeah
Ab               Gm7   Cm
Oh yeah oh yeah

Well I'm going to, yeah I'm going to
Get it right this time
I'm going to, really going to
Raise it to the sky
I must admit I may have made a few mistakes
But let's get started, from a party
Don't you know how long it takes

So c'mon people let the fun begin
We've got a future and it's rushing in
Call all the minstrels from the ancient shrine
                             Gm7          Cm
Pass down the message that it's right this time

Ab        Gm7   Cm
Oh yeah
Ab               Gm7   C
Oh yeah oh yeah

C7      C              C7M   C
