

# Paul McCartney - Deliver Your Children

Tom: C

(com acordes na forma de G )  
Capostrate na 5ª casa

Well, the rain was a-falling and the ground turned to mud  
I was watching all the people running from the flood  
So I started to prayin' though I ain't no prayin' man  
for the Lord to come a helpin' knowing he'd understand.

Deliver your children to the good good life  
give 'em peace and shelter and a fork and knife  
shine a light in the morning and a light at night  
and if a thing goes wrong you'd better make it right.

Well, I had me a woman, she was good and clean  
she spent all day with the washing machine  
but when it came to lovin' she was never around  
she was out getting dirty --- all over town.

Deliver your children to the good good life  
give 'em peace and shelter and a fork and knife  
shine a light in the morning and a light at night

and if a thing goes wrong you'd better make it right.

Well, I was low on money and my truck broke down  
I was on my way to the lost and found  
so I took it to a dealer, I said make it run  
well, I ain't got no money, but I got me a gun.

I said you robbed me before so I'm robbing you back  
and if it don't put you straight it'll put you on the right track  
well, I ain't no devil and I ain't no saint  
but I can tell a dealer by the color of his paint.

Deliver your children to the good good life  
give 'em peace and shelter and a fork and knife  
shine a light in the morning and a light at night  
and if a thing goes wrong you'd better make it right.

If you want good eggs you gotta feed that hen  
and if you wanna hear some more  
well, I'll sing it again.
