There's a lovely view

Why are there always so many other things to do

D7M Em7 D7M

Bb Eb F Gm7
Distractions, like butterflies, are buzzing 'round my head

Eb F
When I'm alone, I think of you

Gm7 Eb
And the life we'd lead if we could only be free

F Bb Eb F Gm Dm7
From these distractions

The postman's at the door while the telephone rings
On the kitchen wall
Pretend we're not at home and they'll disappear
I want to be with you, tell me what I can do
Nothing is too small
Away from all this jazz we could do anything for all

Distractions, like butterflies, are buzzing 'round my head
When I'm alone, I think of you
And the life we'd lead if we could only be through
With these distractions

SOL0: Am Bm7 B7 Em Am7 Am Bm7 B7 Em Am Bm7 B7

Em Am7 Gm Db7-5

I'll find a peaceful place far away from the noise
Of a busy day
Where we can spend our nights counting shooting stars

Distractions, like butterflies, are buzzing 'round my head
When I'm alone, I think of you
And the life we'd lead if we could only be through
With these distractions
Like butterflies, are buzzing 'round my head
When I'm alone, I think of you
And the life we'd lead if we could only be free
