Burn the midnight lamp down until the dawn  
**Em** **B7** **Em** **A** **A**  
I'll keep watch until I'm sure you're coming home  
**D** **A** **D**  
Shadows play and flicker on the bedroom wall  
**D7** **Em**  
They turn into a bad dream overnight  
**B7** **Em**  
Something could be terribly wrong  
**A** **Dbm**  
Don't be careless love  
**C** **Bm**  
Don't be careless love  
**Gbm** **Dbm**  
Don't be, don't be careless love  
**Dbm**  
In my dreams you're running nowhere

**C** **Bm**  
Every step you've taken turns to glue  
**Gbm**  
Walking down a spiral staircase  
Falling through, falling through  
**G** **C** **G**  
Don't be careless love  
**F** **Em** **A**  
Don't be careless love  
The lamp burns down and out  
I'm getting pretty tired of this  
I feel so bad, something must be going amiss  
I won't be there so look out for yourself  
You're getting in deep whatever you do  
Don't let me go back to sleep  
Don't be careless love  
Don't be careless love  
Don't be, don't be careless love  
Saw your face in the morning paper  
Saw your body rolled up in a rug  
Chopped up into two little pieces  
By some thug  
Don't be careless love, be careless love  
But in the morning light  
When I wake up again, you're by my side  
And that's the way it's always been  
But in the dark your mind plays funny tricks on you  
**A** **D**  
Your mind plays funny tricks on you  
**A** **Dbm**  
Your mind plays funny tricks on you  
**C** **Bm** **Bb** **Gm** **D**  
Don't be careless love
