

Paul McCartney - Follow Me

Tom: C

You lift up my spirits, you shine on my soul,
 whenever I'm empty, you make me feel whole.
 I can rely on you, to guide me through, any situation.
 You hold up a sign that reads, follow me.

You give me direction, you show me the way,
 you give me a reason, to face every day.
 I can depend on you, to send me to, any destination.
 You hold up a sign that reads, follow me, follow me.

Down the track of lonelines, down the path of love.

Through the words of heartache, to the end.
 On the shores of sorrow, where the waves of hope crash in.
 The perfect place for me to find a friend.

You lead to places, that I've never been,
 uncovering secrets, that I've never seen.
 I can rely on you, to guide me through, any situation.
 You hold up a sign that reads, follow me, follow me.

Follow me, follow me,
 follow me, follow me,
 follow me, follow me.
