

# Paul McCartney - Get Out Of My Way

Tom: **A**  
Intro: **D7 A E7**

**A**  
Crash bang wallop I'm a lover again  
**D7**

I've got my eyes on the road  
And I'm feeling no pain

**E**  
I've found a real fine woman  
**A**  
I'm heading to see her

Bye bye melancholy listen to me  
We had a long long ride  
But it isn't to be  
I've got a real fine woman  
I'm heading to see her now

**Gbm D**  
Get out of my way  
**A E**  
Get out of my life  
**Gbm D**  
I don't need anybody to tell me  
**A**  
How to be right  
**Gbm D**

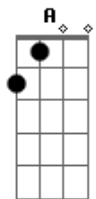

Don't try to stop me  
**A E**  
I've got the answer  
**Gbm D A**  
I won't need anybody except my woman tonight  
  
SOL0: **D7 A E A D7 A E A D7 A**

I can't help it if I'm starting to smile  
I've got a full gas tank  
And it's only a mile  
'Till I'll be with my little woman  
I'm ready to see her

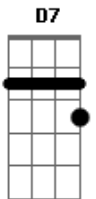

So I say, Bye bye melancholy listen to me  
We had a long long ride  
But it isn't to be  
I've found a real fine woman  
I'm heading to see her now

Get out of my way  
Get out of my life  
I don't need anybody to tell me  
How to be right  
Don't try to stop me  
I've got the answer  
I won't need anybody except my woman tonight
