Gbm B7 Em Am D7 D7
Nobody can deny that there's something there

There, running my hands through her hair
Both of us thinking how good it can be

Someone is speaking, but she doesn't know he's there

F Bb Gm
I want her everywhere

And if she's beside me, I know i need never care
Cm D7
But to love her is to need her

Everywhere, knowing that love is to share
Each on believing that love never dies
Watching her eyes and hoping I'm always there

I will be here, there, and everywhere
Here, there, and everywhere
