

# Paul McCartney - I Saw Her Standing There

Tom: **E**  
Intro:

[Intro:] **E7**

**E** Well she was just seventeen, if you know what I mean, **A** **E**  
And the way she looked was way beyond compare, **B7**  
**E** So how could I dance with another **E** **A** **C**  
**E** when I saw her standing there **B7** **E**

Well she looked at me, and I, I could see,  
That before too long I'd fall in love with her  
She wouldn't dance with another

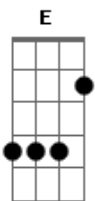

When I saw her standing there

**A** Well my heart went boom when I crossed that room,  
**B** **A** And I held her hand in mine...

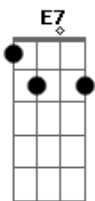

Well we danced through the night, and we held each other tight,  
And before too long I fell in love with her  
Now I'll never dance with another  
Since I saw her standing there

**E** **B7** **E** Since I saw her standing there  
**E** **B7** **E** **A** **E7** Since I saw her standing there
