C7 **C** **G**
sweet little lass, you are my long haired lady.

She's the lady who we wears those flashing eyes.

Who'll be taking her home when all the dancing is over?

Long haired lady, long haired lady.

Bells are buzzing about my sweet delectable baby,
birds are humming about their big surprise.
Who's your favorite person, dear phenomenal lady?
I belong to the girl with flashing eye.

Long haired lady, long haired lady.

Ah, love is long, love is long, love is long.

Ah, when you're wrong, love is long, love is long.
