There must have been magic, the night that we met
Am Em G
If I hadn't stopped you
Dm G
I'd always regret

A few minutes later, you'd have been out that door
Am Em G
And I'd have been lonely
Dm G
For ever more

For ever more

F7M C
Oh what made us do it
F7M C
Under what holy spell

F7M C
Nature's mother knew it
Dm7 G
Only too well

She reached out her fingers
To point at the sky
Leaving me helpless
Not knowing why

And this is the hour
That they turn out the light
Nothing but memories
Burning so bright
Burning so bright

Oh what made us do it
Under what holy spell
Nature's mother knew it
Only too well

There must have been magic, the night that we met
If I hadn't stopped you
I'd always regret

F7M Am

There must have been magic
There must have been magic
