Am Em G  
And I'd have been lonely  
Dm G

F C  
Oh what made us do it  
F C

Nature's mother knew it  
Dm G  
Only too well

She reached out her fingers  
To point at the sky  
Leaving me helpless  
Not knowing why

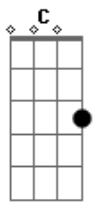

And this is the hour  
That they turn out the light  
Nothing but memories  
Burning so bright  
Burning so bright

Oh what made us do it  
Under what holy spell  
Nature's mother knew it  
Only too well

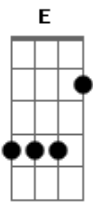

There must have been magic, the night that we met  
If I hadn't stopped you  
I'd always regret

F Am  
There must have been magic  
There must have been magic  
There must have been magic  
F C  
The night that we met
