

## Paul McCartney - Medley: Hold Me Tight - Lazy Dynamite - Hands Of Love - Power Cut

```
Tom: A
                                                           Oh lazy dynamite
                                                                   Am E
                                                           Oh lazy dynamite
I've waited all my life for you
                                                           SOLO: Abm A
Hold me tight
                                                                                                  E AEAE
C Dbdim
Take care of me and I'll be right
                                                           So why do you fight that feeling in your heart
Hold me tight, hold me tight
                                                           Don't you know that inside
            Bb
Hold me tight, hug-a me right
                                                           There's a love you can't hide
                                                                                            E AEAE
           Ab
Hold me tight, squeeze-a me tight
                                                           So why do you fight that feeling in your heart
Db Gb
Hold me tight, hug-a me right
                                                           Oh lazy dynamite
              F
Hold me tight, hold me tight
                                                           Oh lazy dynamite
Hold me tight
              Bb
                                                           Oh lazy dynamite
You won't be going out tonight
                                                                   Am E
                                                           Oh lazy dynamite
Candle light
                                                           END: E Gb B G A B C E
C Dbdim
Make love to me and make it right
Hold me tight, hold me tight
                                                           I can't get over myself falling into the hands of love
              Bb
                                                                      B7
Hold me tight, hug-a me right
                                                           Just can't imagine myself falling head over heels in love
             Ab
Hold me tight, hold me tight
                                                           But when I saw you last night, I knew for the first time
Hug-a me right, ooh
                                                           That you were the one I'd been dreaming of
                                                           A B7
Hold me tight, hold me tight
                                                           I can't get over myself falling into the hands of love
Hold me tight
                                                             Bm E7 A E D A E D
                                                           Falling into the hands of love
SOLO:A Bb Bm7 C Dbdim
                                                           But when I saw you last night, I knew for the first time
Hold me tight, hold me tight
                                                           That you were the one I'd been dreaming of
              Bb
                                                           A B7 E7 G
I can't get over myself falling into the hands of love
Hold me tight, hug-a me right
              Ah
Hold me tight, squeeze-a me tight
                                                           Falling into the hands of love
              Gb
Hold me tight, hug-a me right
              Е
                                                           Love, sweet love
Hold me tight, hold me tight
                                                           SOLO:A B7 E7 G A B7 E7 G
Hold me tight
                                                           But when I saw you last night, I knew for the first time
Oh lazy dynamite
                                                           That you were the one I'd been dreaming of
                                                           A B7
                                                                                         E7
                                                           I can't get over myself falling into the hands of love
Oh lazy dynamite
                                                              Bm
Oh lazy dynamite
                                                           Falling into the hands of love
                                                            F7 E7 A
A Am E
Oh lazy dynamite
                                                           Love, sweet love
Won't you come out tonight
                                                           There may be a power cut
When the time is right
                                                            [ch]Dm[/ch]
                                                           And the candles burn down low
Or will you fight that feeling in your heart
                                                           But something inside of me
         Abm
                                                              [ch]Dm[/ch]
Don't you know that inside
                                                           Says the bad news isn't so
There's a love you can't hide B A
                               E AEAE
                                                                      D D
                                                           I may never tell you D E7 A Gbm E A
So why do you fight that feeling in your heart
Oh lazy dynamite
                                                           But, baby, you should know
Oh lazy dynamite
                                                           There may be a miracle
```

And baby I love you so 'by, I love you so 'by, I love you so 'by, I love you so Dm 'by, I love you so Baby, I love you so 'by, I love you so 'by, I love you so Baby, I love you so 'by, I love you so Dm Baby, I love you so 'by, I love you so Baby, I love you so D I may never tell you 'by, I love you so E7 'by, I love you so But, baby, you should know Baby, I love you so 'by, I love you so D There may be a miracle [ch]Dm[/ch] 'by, I love you so And maybe I love you so Baby, I love you so by, I love you so D 'by, I love you so 'by, I love you so
