

# Paul McCartney - Somebody Who Cares

Tom: C

When your body is coming  
apart at the seams  
and the whole thing's feeling low,  
you're convincing yourself  
that there's nobody there, I know,  
I know how you feel.

Like somebody has taken  
the wheels of your car,  
when you had somewhere to go,  
well it's annoying  
not going to get very far.  
I know, but somebody cares.

There's always someone,  
somewhere you should know by now.  
Always somebody who cares  
it's happening day in, day out

well you know by now  
always somebody who cares.  
If you don't know it, how will it find you?  
How will we know your whereabouts?  
[Em Dm Em F]  
But I know how you feel.

Inter: with chords of the first part.

I know how you feel.

Like somebody has taken  
the wheels of your car,  
when you had somewhere to go,  
well it's frustrating  
not going to get very far.  
I know, but somebody cares.

There's always someone,...

[Em Dm Em F]

I know how you feel.
