Paul McCartney - Suicide

```
Tom: C
Intro: C                       Em
Girls it's been my pleasure
     G           Dm7     C
To know quite a lot of you
     Dm7
And in the main
                          C
You're pretty sane, it's true
              Dm7
But there are a few who do
                           C
The duty to do too beautiful a job
   Dm7                 C
It isn't quite what they planned
     Dm7                  C
The man gets the upper hand
     Dm7              C
He's takin' her for a ride
Dm7            C
I call it... Suicide

(VERSE 1):

    C         Dm7        Em
If when she tries to run away
       G                  C
And he calls her back, she comes
C           Dm7          Em
If there's a next time, he's ok
         G               C
Cause she's under both his thumbs
Em              Dm7
She limps along to his side
                    G
Singing a song of ruined life

(CHORUS):
C                      Dm7
Daddy says nothin' doin'
```

```
Dm7   C
Ah---
     G           C
I call it... Suicide

(VERSE 2):

She loves to ride in big parades
         G              C
But he wouldn't so she won't
C           Dm7       Em
She needs at least a dozen lays
       G          C
But if he says no she don't
Em             Dm7
He wishes she knew his sign

Soon there'll be trouble brewin' ah---
