

Paul McCartney - The Other Me

Tom: G I know I was a crazy fool D For treating you the way I did But something took hold of $\ensuremath{\mathsf{me}}$ Em Α7 And I acted like a dustbin lid I didn't give a second thought Am7To what the consequence might be B7 I really wouldn't be surprised Em Α7 If you were trying to find another me D The other me would rather be the glad one The other me would rather play the fool I want to be the kind of me That doesn't let you down as a rule I know it doesn't take a lot

But every time that I forgot Well I landed in another hole

But everytime you pull me out I find it harder not to see That we can build a better life If I can try to find the other me

Chorus

G D
But if I ever hurt you
G D
Well you know that it's not real
Bm G
It's not easy living by yourself
Em A7
So imagine how I feel

I wish that I could take it back I'd like to make a different mood And if you let me try again I'll have a better attitude

Well I know that one and one makes two And that's what I want us to be I really would appreciate it If you'd help me find the other me

Chorus

Acordes

To have a little self-control
