Acordes

To have a little self-control

But every time that I forgot Well I landed in another hole

But everytime you pull me out I find it harder not to see That we can build a better life If I can try to find the other me

Chorus

G D But if I ever hurt you D G Well you know that it's not real Bm G It's not easy living by yourself Em A7 So imagine how I feel

I wish that I could take it back I'd like to make a different mood And if you let me try again I'll have a better attitude

Well I know that one and one makes two And that's what I want us to be I really would appreciate it If you'd help me find the other me
