

Paul McCartney - When The Night

Tom: C
Intro: Am E Am E

Well the night (well the night) was beautiful and mellow
(mellow, mellow)

And the light (and the light) of the night fell on me
(fell on me)

You said right (you said right), made me a happy fellow
(fellow, fellow)

And the light of the night feel on me
(fell on me)

I never will forget the night
I held you close, i held you tight
Oh darling, don't you know

That when you made my senses reel

I fell in love and now i feel

Like i will never go
Oh little darling, don't you know

That the night was marvellous and yellow
And the light of the night fell on me

(Solo)

I never will forget the way
You taught me how to swing and sway
Oh darling, don't you know
That ever since that special day
My mind can only contemplate
The magic that you show
Oh little darling, don't you know
That the night is beautiful and yellow

And the light of the night fell on me
(fell on me) fell on me (fell on me)
Yeah the light of the night fell on me (fell on me)
Fell on me (fell on me)
