

Paul McCartney - Your Loving Flame

tom:
Capostrate na 1ª casa

How can I hope to reach your love
Help me to discover
What it is you're thinking of
'Cos when we kiss, nothing feels the same
I could spend eternity
Inside your loving flame

What am I to do
If I don't have you
I'll be feeling blue
Just sitting here without you
You could be the one
To chase my blues away, away

[Solo]
C Bm A A A

So tell me how, how to reach your love
Help me to discover

What it is you're thinking of

'Cos when we kiss, nothing feels the same
I could spend eternity
Inside your loving flame

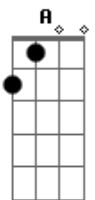

What am I to do
If I don't have you
I'll be feeling blue
Just sitting here without you
You could be the one
To chase my blues away, away

'Cos when we kiss, nothing feels the same
I could spend eternity
Inside your loving flame

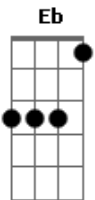

So tell me how, how to reach your love
Help me to discover

What it is you're thinking of
How can I hope to reach your love
Here forever in your loving flame
