F     :G
  She looked me over
And I guess she thought
         :C
I was all right
F     :G
  All right in a sort of a limited way
         :C
For an off-night
F         :G
  She said don't I know you
                         :C
From the cinematographer's party?
F         :G
  I said who am I
                :C
To blow against the wind?

   F          :G
I know what I know
               :C
I'll sing what I said
    F          :G
We come and we go

That's a thing that I keep
         :C
In the back of my head
   F          :G
I know what I know
               :C
I'll sing what I said
    F          :G
We come and we go

That's a thing that I keep
       :C               F:G :C F:G :C
In the back of my head

F                  :G
  She said there's something about you
                    :C
That really reminds me of money
F         :G
  She was the kind of a girl

Who could say things that
         :C
Weren't that funny
F         :G
  I said what does that mean
                    :C
I really remind you of money?
F         :G
  She said who am I
                :C
```

In the back of my head
F         :G
  She moved so easily
                         :C
All I could think of was sunlight
F         :G
  I said aren't you the woman
                       :C
Who was recently given a Fulbright?
F         :G
  She said don't I know you
                         :C
From the cinomatagrapher's party
F         :G
  I said who am I
                :C
To blow against the wind?

   F          :G
I know what I know
               :C
I'll sing what I said
    F          :G
We come and we go
That's a thing that I keep
         :C
In the back of my head
   F          :G
I know what I know
               :C
I'll sing what I said
    F          :G
We come and we go
That's a thing that I keep
       :C               F:G :C F:G :C
In the back of my head

Repeat and fade:
   F          :G   :C
I know what I know
   F          :G   :C
I know what I know
```
