Paul Simon - Kathy's song

```
I hear the drizzle of the rain
Am Em C Bm7
Like a memory it falls
 Bm G C
Soft and warm continuing
Am Em D G
                                  CG
 Tapping on my roof and walls.
And from the shelter of my mind
Am Em C
 Through the window of my eyes
G Bm G
I gaze beyond the rain-drenched streets
Am Em D
 To England where my heart lies.
 My mind's distracted and diffused
Am Em
 My thoughts are many miles away
Bm G C
They lie with you when you're asleep
                                         C
```

```
And kiss you when you start your day.
And a song I was writing is left undone

Am Em C Bm7

I don't know why I spend my time
  Bm G
Writing songs I can't believe
                               G C G C G
               Em D
 With words that tear and strain to rhyme.
 And so you see I have come to doubt
        Em C Bm7
 G Bm G C
I stand alone without beliefs
Am Em U O .
The only truth I know is you.
        Em D G C G
 And as I watch the drops of rain
         Em C Bm7
 Weave their weary paths and die
I know that I am like the rain
 n Em D G
There but for the grace of you go I.
                                 \mathsf{G} \quad \mathsf{C} \; \mathsf{G}
                                            CG
