

## Paul Simon - Kathy's song

```
Tom: G
 I hear the drizzle of the rain
Am Em C Bm
Like a memory it falls
 Bm G C
Soft and warm continuing
Am Em D G
                                  CG
 Tapping on my roof and walls.
And from the shelter of my mind
Am Em C Bm
Through the window of my eyes
G Bm G
I gaze beyond the rain-drenched streets
My mind's distracted and diffused
Am Em
 My thoughts are many miles away
Bm G C
They lie with you when you're asleep
                                          C
```

```
And kiss you when you start your day.
 And a song I was writing is left undone

C
Bm

I don't know why I spend my time
  Bm G
Writing songs I can't believe
                               G C G C G
               Em D
 With words that tear and strain to rhyme.
 And so you see I have come to doubt
        Em C Bm
 G Bm G C
I stand alone without beliefs
        Em D G C G
Am Em U O .
The only truth I know is you.
 And as I watch the drops of rain
         Em C
 Weave their weary paths and die
I know that I am like the rain \ensuremath{\mathsf{I}}
               Em D
                                 \mathsf{G} \quad \mathsf{C} \; \mathsf{G}
                                            CG
 There but for the grace of you go I.
```
