And I'd give up forever to touch you
A Gbm Bm D
'Cause I know that you feel me somehow
A Bm D
You are the closest to heaven that I'll ever be
Gbm E D
And I don't want to go home right now

And all I can taste is this moment
A Bm D
And all I can breathe is your life
A Bm D
And sooner or later it's over
Gbm E D
I just don't want to miss you tonight

(Refrão)
Gbm E D
And I don't want the world to see me
Gbm E D

'Cause I don't think that they'd understand
Gbm E D
When everything's made to be broken
Gbm E D
I just want you to know who I am

And you can't fight the tears that ain't coming
A Bm D
Or the moment of truth in your lies
Gbm E D
When everything feels like the movies
A Bm D
Yeah you bleed just to know you're alive

Refrão:
Gbm E D
And I don't want the world to see me
Gbm E D
'Cause I don't think that they'd understand

When everything's made to be broken
Gbm E D
I just want you to know who I am
