

# Paula Fernandes - Whose Bed Have Your Boots Been Under?

Tom: Bb

**Bb** Whose bed have your boots been under?  
**Bb** Whose bed have your boots been under?  
**Eb** and whose heart did you steal, I wonder,  
**Cm** this time did it feel like thunder, baby?  
**Ab** Whose bed have your boots been under?  
**Bb** Don't look so lonely, don't act so blue,  
**F** I know I'm not the only girl you run to.  
**Gm** **Eb** I know about Lolita, your little Spanish flame,

**F** - **F7**  
**Bb** I've seen you around with Rita, the redhead down the lane.  
**Bb** Whose bed have your boots been under,  
**Eb** and whose heart did you steal, I wonder,  
**Cm** this time did it feel like thunder, baby?  
**Eb** **F** And who did you run to?  
**Bb** And whose lips have you been kissin',  
**Eb** and whose ear did you make a wish in,  
**Cm** is she the one that you've been missin', baby?  
**Ab** Well, whose bed have your boots been under?
