

# Paula Fuga - The Sun Will Rise

Tom: **G**

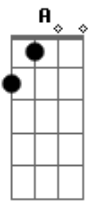

**G**  
**C** So many times I try to get ahead in life  
**A**  
**C** But something always happens  
**G**  
**A** I'm back at where I began  
**C**  
**G** I get so tired of tryin' and  
**A**  
**G** I wanna know when it's gonna come  
**A**  
**G** Oh I want you to know where I'm coming from  
**A**  
**G** Through the dark I see the light  
**G**  
**A** And I know it'll be alright  
**A**  
**G** All I need is a little faith to get by  
**G**  
**A** I know you're with me where ever I may be  
**C**  
**G** I know you said you'd always be there

**G**  
**A** Oh lord I need you now  
**C**  
**G** Upon my knees I pray  
**G**  
**A** I have a dream I'd like to share with you  
**C**  
**G** I've had the same one all my life  
**G**  
**A** So please believe in me  
**C**  
**G** Sometimes it gets so hard  
**G**  
**A** To keep believing in yourself oh but you must above all else  
**C**  
**G** You've got to hold your head up high  
**G**  
**A** Oh listen to me soon, soon the storm will subside  
**C**  
**G** And again at dawn the sun will rise  
**A**  
**G** Soon the storm will subside  
**A**  
**G** Again at dawn the sun will rise
