

Paula Mattos - A Vida Pede

tom:

C

F

G

Olha o mundo aí, pausando a nossa pressa

Olha a gente aqui, olhando pro que interessa

Lembra do carinho no colo da vó

Do bolo de cenoura, ah que saudade boa

Lembra quando a gente brincava de bola

Puxa na memória, o tempo bom da escola

F

A vida pede

G

Olha pra lado um pouco

Coloca esse celular no bolso

Daqui a pouco tudo vai passar

A vida pede

Um pouco mais de calma

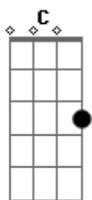

Um novo tempo pra curar a alma

Daqui a pouco tudo vai passar

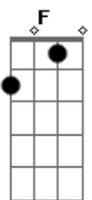

E quando passar, não deixa o abraço apertado faltar!
