

Paulinho Boca de Cantor - Estrela Manhã

Tom: C

E vê seu rosto espelhar
 Na luz da Estrela Manhã
 O brilho doce do Sol
 Caindo sobre esse sonho
 Esse cheiro no ar
 Essa loucura verão
 Bate em compasso de festa

Minha alma e meu coração
 E não existe melhor
 Maior alegria na há
 Não sinto a vida correr
 Nem vejo o tempo passar
 Quero tudo o céu na terra
 Quero muito, eu quero é mais
 Quero tudo o céu na terra
 Quero muito, muito mais
